

APPENDIX A

INDIANA DEPARTMENT OF EDUCATION LANGUAGE MINORITY AND MIGRANT PROGRAMS

SPECIAL EDUCATION DATA CODES

PREREFERRAL:

Migrant students identified as being Limited English Proficient (LEP) as determined by assessment of listening, speaking, reading, and writing in English require alternative instructional and testing strategies be made prior to referral. These strategies must address linguistic cultural and experiential background of the student. The guidelines will assist you in ensuring that appropriate procedures are followed for students prior to any referral for special education services.

•CONDITION

This variable indicates that the child has been evaluated in the native language by a multi disciplinary team and determined to have an educational handicap that results in a need for special education.
